

Dear Valued Partner

In an on-going pursuit to ensure our mutual guests experience a holiday of a lifetime, Apollo has recognised they should be worrying about what beach to swim at, which national park to see or what tourist attraction to tick off their bucket list, not whether they'll have time to clean their motorhome before they return. Guests can simply add Apollo's Drop & Go service and we'll be happy to look after it for them. All they need to do is ensure their tanks are emptied prior to return.

Drop & Go is available in Australia, New Zealand and the United States for Hippie Camper, Cheapa Campa and Apollo. This service is included for Star RV.

WE ARE HAPPY TO LOOK AFTER:	VALUE
Exterior Clean	\$80/hr
Interior Clean	\$80/hr
Convert Beds to Dinettes	\$20
Garbage Disposal and Fridge Emptying	\$35
Total Cost	\$215
Drop & Go Service	\$75
Save with Drop & Go	\$140

This is an optional service that will assist with a quicker return so guests can be on their way. If a guest is happy to return their vehicle clean; all surfaces need to be wiped down (kitchen, floors, cupboard, tables, toilet & shower cubicle, windows etc.), fridge cleaned and emptied, rubbish removed, excessively dirty exteriors cleaned and beds converted back to dinettes.

We hope this announcement provides clarity on our new customer service initiative.

Kind Regards

Apollo Commercial Team
